Please note that owing to the rising cases of covid, we feel it safer to continue allowing only 4 people on each workshop and most of the prep work will be done for you to minimise social contact. It would also be appreciated if you could take a covid test prior to attending your workshop. Hand gel and wipes will be provided.

If any of these dates are unsuitable and you can form your own group of 4 people for a particular class then please get in touch.

Please note the time of the afternoon classes has changed from the norm and will now start at 1:30pm until 3:30pm but all classes are still £12.50 each, which includes all materials and refreshments. The classes may finish earlier as some of the prep work will already be done for you.

To book please phone Sue on 01462-686869 or email sue@gardencitycrafts.com
